Star Soakers Club

Star Soakers Club celebrates taking back "Me-Time" and indulging in a good soak! Whatever you do, you do a kick-ass job at it and you deserve all the warmth, bubbles and escapism Bubbles and Books provides. But... that doesn't make it any easier to set aside some time regularly to look after yourself. So we want to help add an extra incentive: every milestone you hit, we'll send you an extra special something.

Use the sticker from each box to track your progress - snap a picture of your card at each reward level and email to soak@bubblesandbooks.com or post in the Facebook group.
